Message from Managing Director

Dear Reader,

I am taking this opportunity to introduce our supply and commission Agent Company by the name of **INR Trade International** is an experienced, modern, efficient, and first growing Supply Company in Bangladesh. Our sincerity and ardent services blended with highest standard of professionalism has earned us much sought after nationwide appreciation, trust and poise.

INR Trade International was established on April, 2014 as a consequence to grab the outstanding opportunity of local manpower, equipment, stone, bricks, sand, construction materials, EMP materials, sandwich panel, portable cabin and other resources supply market in Bangladesh. After little gap on business, again we start our moving with satisfactory effort. Now a day's Bangladesh are implementing many mega projects across the country. The expertise team of INR Trade International has years of experiences for serving in manpower recruiting and supply field and has vast working experience in different sectors like; NGO, INGO UN agencies. According to demand by our different clients, company has supplied workers and resources for many projects.

We do believe "**People is Resource**", we have placed our entire attention in mining the best out of the persons and fill in them a sense of responsibility. As such we have associates with renewed established technical training and testing center for transforming people into human resource.

Trust us; we can mobilize the right personnel and resources for your company in conformity with your needs at reasonable price. "We support more, than we say".

We hope, this profile will provide you an opportunity to share extensive information and know more about the company. We also feel that it is essential to open the door to getting access to information and thereby ensure companies one of the values 'Transparency, Quality and Accountability'. We welcome valuable comments on our expertise and any other information, so that we can see ourselves in other's eyes.

Our company and our professional staffs are always will be at your service.

Best regards,

Mohammed Iqbal Bahar
Managing Director

About INR Trade International:

INR Trade International is going to lead the fast growing economy in Bangladesh through serve its different services to the clients. We are registered with government and following the National and International standard and market trend to ensure our best supply and fulfill the demand of our valued clients. INR Trade International is very expert on supplying local skill, semi-skill and unskilled manpower. Along with this, we have some local and international associates with whom we offer especial services like; construction materials and fixers, EMP materials supply and installation, equipment's rent with operator, catering service and development, tour, travel and ticketing support, training and information support, interviewing, background check, authenticity of the manpower etc. upon request.

We have a strong relation and interaction with our National and International associates and we do our work along with them according to demand and the nature of the work.

Satisfactory resources supply and fulfill the requirement in time is our main concern. We follow professional procedure to meet the client's requirement.

Our Vision: Every company is working in Bangladesh will be served by us.

Our Mission: To ensure the quality of services, we will serve our clients. Quality will be the first priority in our every step in service.

Our Values:

- Transparency, Quality & Accountability;
- Innovation & Professionalism;
- Constant Improvement;
- Teamwork Diversity & Leadership.

Why Choose Us?

INR Trade International is growing to lead the recruitment, supplying manpower as client's specifications; equipment's, construction materials etc. and we already successfully meet all the requirements by our client's. We have specialized section and a strong database on our services from where we can fulfill our client's requirement. We do believe on Quality not on Quantity. Job seeker fined jobs and companies find their resources and we do all the legal and personal formalities with ease. Each client's and candidate is like an extended family member to us. We understand business needs for employer and job needs for employee.

We source candidate from all over Bangladesh and send to respected employer according to their requirement. All services are not only done by us. We have strong relation with some well-known companies in Bangladesh and abroad.

Our Services

We provide quality services in the field of local manpower supply. Beside manpower supply, we do provide different services according to the demand by our client. Our one to one business understanding policy helps us to make strong bond with our client once and always. We offer numerous outstanding services along with our trusted and qualified associates to our valued client's, such as;

- Manpower supply;

INR Trade International is engaged in manpower placement through its experience for its clients to resolve hiring solution and recruit of right personnel. ITI maintains huge database of skilled and un skilled employees for recruitment solution.

Existing department

Category of the Employee

INR Trade International is a fast growing manpower supply and commission agent company in Bangladesh. We got the opportunities by providing workers in different companies to their projects in home and abroad through our International Associates from Oman and Kuwait. So far, we have employed countable workers in domestic projects and supplied around 3000 workers for overseas projects – up to 2018.

In such way, INR Trade International has gathered a long experience in workers and resources supply and management services by providing professionals, skilled, semiskilled and general workers. INR Trade International have also earned a considerable experience for handling local workers, supplying resources and continue to specialize in this area.

Please have a look the list and find out yours require employees;
